

RECOMMENDATION LETTER

05 Sept 2026

To Whom It May Concern,

This is to proudly recommend **Saurabh Arjun Jain** for the excellent performance, dedication, and professionalism demonstrated during the internship tenure at **Primeor Solutions** as a **Data Analyst Intern**.

Throughout the internship period, strong analytical thinking, problem-solving abilities, and a keen interest in data analytics and business intelligence were consistently demonstrated. Responsibilities including data cleaning, SQL analysis, dashboard preparation, and reporting activities were handled with professionalism, enthusiasm, and a strong learning attitude.

The ability to adapt to practical industry workflows, along with effective communication skills and commitment towards assigned projects, was highly appreciated by the team. Consistent efforts towards enhancing technical knowledge and delivering quality work reflected strong professional potential.

Based on the overall performance during the internship, Primeor Solutions believes the intern possesses excellent potential for future growth in the field of Data Analytics, Software Development, and related technology domains.

We extend our best wishes for continued success in future academic and professional endeavours.

Best regards,
Primeor Solutions
